

Retirement Planning

Whether you're just getting started or nearing retirement, it's important to save, invest and plan for your future retirement. Your retirement from work will shift your income from an employer-provided paycheck to your own retirement paycheck.

Understanding your estimated income from your savings and pension plans, Social Security, other personal income and retiree medical expenses helps you envision your potential total retirement income. Review the Overview, Planning and At Retirement sections for each of the areas below to help you learn more.

Retiree Medical Overview

Choosing the right health coverage for yourself and your dependents is an important decision for your retirement.

Understand your options, including what may be available through Northrop Grumman and how that aligns with your or your family's health care needs.

- **Planning:** Consider what's available to you at retirement and determine your eligibility for retiree medical coverage through Northrop Grumman.
